AMBULANCE SERVICE

BROOKLINE, NH 03033**

Thank you for your interest in Brookline Ambulance Service, BAS. We are a 3<sup>rd</sup> Party Municipal Agency and part of Brookline's Public Safety Team. We provide emergency medical services to the residents and visitors of Brookline and Mason New Hampshire. Whether you are a full time or call member, we are all considered employees at-will of the Town of Brookline, NH. All the members are Nationally Registered and New Hampshire Licensed EMS Providers.

Our Call Members are the backbone of the Department. They provide coverage whenever the Chief or fulltime daytime ALS Provider is unavailable, That includes evenings, overnights, weekends, holidays, and special details. It takes approximately 17,520 hours to staff one ambulance 24-hours per day 7 days per week. The Chief and daytime EMS Provider cover approximately 4,160 of those hours. So, the Call Members are essential to the operation and success of the Brookline Ambulance Service.

Call Members are compensated from the time they spend responding to and completing an EMS Incident, covering for the Chief or daytime EMS Provider, or when they are covering a special detail. BAS will reimburse members for initial and upgraded certification. We also provide on-going training and pay for re-certification & licensing fees.

If you would like to discuss this in more detail, please reach out to the Ambulance Chief at 603-672-6216.

You may also complete the attached application and drop it off at the Brookline Town Hall or Safety Complex.

Thank you again and we look forward to hearing from you.
