Minutes
Board of Fire Engineers
Monday January 9, 2023

- The meeting was called to order at 7:00 pm.
- Board of Fire Engineers members Dave Flannery, Dave Santuccio, Dave Joki and Chief Corey were present.
- Minutes were read and accepted.
- We have been training with the CAF's system and search/rescue at the Main St. training house. We now have a big driving camper to use for training. We will be using it for auto extrication, search/rescue, and fires.
- We just had one new person pass their physical and now has his gear. We have one other person that is waiting on their background check to come back. Then can get his physical.
- 2022 budget is done, and final bills will be turned in tomorrow.
- 2023 budget hearing will be Jan. 23rd and 24th.
- We have two of grants written and one more to finish writing. The Grants opened January 9th and on February 9th will close.
- Bingham's fire pump passed the pump test and now will be hooked up to the fire alarm system on January 12th.
- With the call volume up 29% this has put a strain on our personnel. We are up 1,065 in hours this year over last year.
- We will be getting the price on the new truck tomorrow.
- Meeting adjourned at 8:30 pm.

Respectfully submitted,

Charles E. Corey Sr.
