Pine Grove Fencing

Tad will ask Jerry about the ability to spend additional money from this year's cemetery budget to extend the fencing at Pine Grove. He may also need to ask for an increase in the cemetery budget to complete the fence project by 2019 (Brookline's 250th celebration).

The fence has been washed and looks great!

Boy Scouts

We have not heard if they completed their project at Lakeside. We will follow up.

Signs

There was discussion of adding signs with the name of the cemetery for each cemetery before 2019.

Next Meeting
