***Brookline Cemetery Trustees Minutes
July 7, 2022***

Pine Grove Cemetery

Present:

Ann Somers, secretary
Judy Cook, member
Mike Wenrich, Sexton/BPW Director
Tyler Picard, assistant

Not present:

Brian Rater, chair

The meeting opened at 9:00 a.m. at the southwest section of Pine Grove Cemetery. There was no public input.

While the agenda was extensive, in the event the focus of this morning's two summertime hours was on tidying up plantings that had become overgrown. We agreed upon and removed a number of shrubs that were in poor condition, had become intrusive, are no longer cared for by those who planted them, and/or whose maintenance we consider not to be an appropriate use of taxpayer dollars. In instances where extracting the shrubs would have disturbed the monuments, we cut them down to ground level. Ann and Judy will hand prune a few shrubs when convenient. We will evaluate further as time goes on.

Mike noted that the few small pine trees on South Main Street near Cross Road, which are in the way of the planned sidewalk and were going to be discarded, have found a "taker."

The meeting was adjourned at 11:00 a.m.

The next meeting is scheduled for Friday, July 22nd, at 3:00 p.m. at the BPW building.
