June 11th, 2019**

Present: Linda Chomiak Steve Russo Brian Rater

The meeting began at 7PM

PUBLIC INPUT: None

MINUTES:

Linda motioned to accept the minutes of the May meeting; Brian seconded. Approved unanimously.

REPORTS FROM OTHER COMMITTEES:

The School Board sent the audit report to us to be reviewed.

NEW BUSINESS:

Capital Improvements Plan:

Starting this coming year, the Selectboard, together with the Finance Committee, will be reviewing the capital improvements budget at the beginning of the town budget planning process

Town Budget Report:

We received a copy of the "Year to Date Income and Expenses" sheet from the town. It just lists revenue and expenditures in one column, without the amounts and % budgeted and funds remaining; a more complete budget sheet would be appreciated.
