UPDATES/PRESENTATION

DISCUSSION AND DECISION

Group reviewed the draft Workforce Housing Ordinance.

Updated document with edits available in School and Town Services Study Committee Google Drive.

Peter gave a preview of information he received from Jay at NRPC regarding the options for a formula to determine the appropriate amount of growth to allow in Brookline while giving the time for the town to address school capacity issues and study water issues further. Options are available to base the formula on the school capacity or because Brookline's rate of growth exceeds the average for the region.
