***Non-Public Minutes-5
Selectboard
Monday, October 19th, 2020***

Selectboard members present via Zoom: Brendan Denehy, Eddie Arnold, Dana Ketchen and Drew Kellner along with Town Administrator Tad Putney.

Town Hall Surveillance System

Tad said the current surveillance system in the town hall is 10 years old and at the end of its useful life. He said it has not come back on-line since the generator switchover and despite outreach to the vendor, they have been non-responsive. **Tad** said he had sought quotes from three firms to replace the system next year, but he is very uncomfortable not having an operational system, especially with **Patti** here alone on Wednesday evenings. He said he has received one quote for \$4,705 which is much less than the \$19,000 cost of the original system. He said the quote is from One Source, which has supplied the surveillance systems to our ambulance and police station. He asked the Board to approve the funds necessary to replace the system now – and allow for it to be removed from the 2021 budget. ***Drew moved, seconded by Eddie, to authorize up to \$5,000 to replace the town hall surveillance system; Roll call vote yes 5-0.***
