Monius Property

Brendan said at last week's Planning Board meeting there was a conceptual discussion of **Jay Chrystal's** plans for the Monius property. He said at one point one of the neighbors asked if the land was offered to the town. He said **Eric Bernstein** responded that he recalled it had been offered to the town about 15 years ago. **Brendan** said given someone has asked, we need to be able to answer the question. **Drew** suggested the best response is that the town was offered the property and, while investigating its merits, the property was put under a purchase and sales agreement. **Tad** was asked to send an email to the Planning Board advising them of this information, so they are aware should the question come up again.

Minutes submitted by Tad Putney.
