Wallace Brook Dam Discussion

Tad said last week he mentioned to the Board that **Steve Spader** had requested to be on the agenda for Monday, April 4th meeting. He said in further discussions with **Mike** and **Eddie**, and given that he feels this topic has already been addressed, he wanted to see whether the Board wants it to be an agenda item or simply advise **Steve** that he can make his comments during “public input”. The Board agreed he should comment during public input.
