**237 Route 13 Clean Up**

**Eddie** asked about the status of removing the structure at the above address. **Tad** said he reached out to **Donna Marsh** about 10 days ago and she, in turn, reached out to the new owner. **Tad** said the owner called him soon after and said he was not aware that the clean up included the removal of the building, but his reading of the contract confirms that it is required. **Tad** said the owner removed the full dumpster within a day of their conversation and said he would be removing the structure soon, but no date was given. **Tad** said a demolition permit has been submitted for the job.
