Lot Line Adjustment – Monius Property

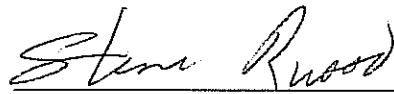

Brendan said at the last Planning Board meeting, **Tom Quarrels** asked where the lot line adjustment came from for the Monius property. **Brendan** said we need to make it clear what was done last year. **Eddie** said he likes **Brendan's** suggestion of a statement like: "During 2021 Jay Chrystal presented some conceptual designs for the Housing for Older Persons project to the Selectboard. These discussions included giving the Town approximately 2.25 acres along Main Street that adjoins a small parcel the Town currently owns. The Board supports the donation." **Brendan** suggested having the statement sent to the Planning Board in advance of their next meeting May 19th. **Dana** moved, seconded by **Ed**, to table the discussion for the next Board meeting; Voted Yes 5-0.
