Selectboard members present: Eddie Arnold, Brendan Denehy, Steve Russo, and Ed Perry along with Town Administrator Scott Butcher.

Accepting Private Roads as Public Roads

Brendan said Michele Decoteau asked about the Selectboard accepting private roads as public roads. He said the housing for older people is a public road halfway through the circle and the other half would be private. Brendan suggested she set up a meeting between the Selectboard and the Planning Board. Brendan said he asked Michele if she was aware of the previous issue with the Monius Property and she said she was not. He asked that we keep this issue separate. Scott said this Board has a right to make it a private road, but people can oppose with a citizens petition.
