Pay for New Town Administrator

Steve said at the prior Board meeting it was decided to go up to \$110,000 in annual salary for the new town administrator and he was looking at the current payroll and the police chief is paid about \$110,000 currently. He said he thinks the town administrator should be the highest paid. **Tad** said he has never felt bad that the police chief is paid more than him given **Bill's** nearly 40 years of law enforcement experience.
