Selectboard members Karl Dowling, John Carr, Susan Adams and Brendan Denehy were present along with Town Administrator Tad Putney.

Planning Board – NRSP of H-104 – Brookline Barrel Mill

Tad said Jerry Farwell has not followed through on the requirements of the planning board for his site plan. The planning board requested a site plan on July 18, 2013. Jerry was granted an extension on September 19, 2013 to allow him to finalize and submit his plan and meet with the conservation commission at their October 8th meeting. No plan has been submitted to either the planning board or conservation commission. Per RSA 676:4 the planning board needed to act on the application so they disapproved Jerry's site plan on October 17, 2013.
