Conservation Commission – Preliminary Purchase Discussion re Lot C-8

Brendan said the Conservation Commission has offered \$2,000 per acre for about 17-acres of land abutting current Brookline conservation property off North Mason Road. The land is currently owned by the Pinkhams (Lot C-8). He said the funding of the purchase will come from the Conservation Commission's Land Acquisition Fund.

Brendan said the Conservation Commission plans on bringing a purchase and sales agreement to the Selectboard for approval, likely at the next meeting.
