Melendy Pond Property Deed

As a follow up to the prior Board meeting, **Tad** shared a copy of the deed which conveyed the Melendy Pond property from the Town to the Melendy Pond Authority. A provision of the deed states “The Town, by two-thirds vote of any Town Meeting, may dissolve the said Authority upon the happening of which said event title to the within premises, subject to the leases and encumbrances existing at the time of dissolution, shall revert to the Town of Brookline.” Board members viewed this language as giving town meeting overall authority over the land.
