Public Works Director Search Process

Brendan said he wanted to briefly discuss the search process for the Public Works Director position. He asked if a hiring board should be used and whether the whole Board wanted to be involved in determining who will be interviewed. **Eddie** suggested that each Board member review the applications in advance of the next meeting and the Board can then determine who to interview. He also suggested that **Jerry Farwell** be involved in the interviewing process. Other Board members agreed. It was agreed that the Board would determine at next Monday's meeting who they would interview.
