**Fire Chief's Hours Reduced**

The Board reviewed the offer letter that **Charlie** had received at the time of his hiring. It was noted when he was hired as Fire Chief the hours were set at 40 per week. **Tad** said **Charlie** told him that there were a few projects that needed to be done when he started so his hours were changed to 45 per week until the projects were complete. He will return to a 40 hour week as of January 1<sup>st</sup>. There were no further questions from the Board.
