Grove Account

Pelletier tree removal: \$250 (off season maintenance)

Grove Discussion

Early bird membership flyers are ready. We are going to offer early bird swim lessons to Brookline Residents. Prices on lessons and on memberships will be increased again this year. Only nonresidents who sign-up and participate in the swim lesson program will be offered the membership. A letter of intent will also be signed. Any violation or breach of rules or guards and the membership will be revoked and they will forfeit the cost of the membership. We are working on automating the registration with an email and database that will reside on the town server. The Summer School Program swim lesson flyers are created and ready for review by Sylvia. The Recreation Commission will have a Grove member meeting at our May Recreation meeting to listen to our residents' comments, suggestions and concerns for the upcoming season. The Grove has been awarded the Brookline Woman's Club Presidential award of approximately \$1,000.00 for a project at the Grove. We will be meeting with the president of the Woman's Club soon to discuss what is need at the Grove. Following a discussion, Yvonne Gutierrez was voted to become the Grove Manager for the summer of 2019.

Meeting adjourned at 8PM
