EDITOR & WRITERS UPDATE

- Ben Chandler of Studio Metronome has been interviewed. Notes were taken, no audio tape.
- Peter gave Dan a box of stuff for the bell ringing topic. Dan is going through it to see what is there. He will also try to find out how long the tradition continued.
- Tereze suggests that something is written about the lighthouse at the lake. Eric will look into it.
- Scott emailed that the final cassette audio in the BHS inventory that he knows of has been digitized and uploaded to the Google Drive. Many of these still need indexing so if anyone knows of someone who is interested in this should contact Scott.
- Stonehouse press should be a topic.
- Jack is looking to see if a postcard exists for the Riverside. Eric suggested looking online.
- The Nashua Telegraph archive is searchable for free thru Google news. May not have all years but has a lot.
- Erica at the library said she would help with photos if necessary.
- Jack will take the Milford Street School topic.
- Eric will take the State Line/Yankee Doodle, inns & taverns, equestrian centers
- Dan will take the Brookline Event Center.
- List of unassigned topics; the bank, Ladd's.
