Book Sales Update

About 225 in book sales.

Other Items

Keith presented to the Selectboard our decision for printer and number of books. Sid said he thought the order would go in this week. He did not have a chance to talk to Tad about how the printer will bill the town. He will recheck with Tad and Sid.

Keith will talk with Tad about adding Gail to the committee and about storage for the books.

Vicki said the 250th committee is looking for excerpts from the book to add to their literature. They will cover the cost. We all thought it was a good idea. Vicki will ask how much space they are allocating for us, probably won't be too much.

There is another Library book sale on the morning of July 4th. We should have order forms there. We can discuss this more at our next meeting.

Technology update

Nothing new to report.

Public Input
